### Director's Letter

Greetings! Welcome to The Wisconsin Cream City Chorus Fourth Anniversary Concert and Awards Banquet and the Rainbow Tour.

The W.C.C.C., Ltd. history states: "On the evening of All Fool's Day of 1987 fourteen men and women assembled to form this chorus in order to provide not only musical entertainment for our community, but provide an outlet for musical, personal and social growth in-and-for our community. Proudly we celebrate these our original goals, and determined are we to continue to realize this vision as we enter our fourth year.

We celebrate our 'birthday' for it renews our sense of commitment (especially difficult in a community where commitment is usually an unspoken sentiment). Graciously our commitment is reaffirmed from you through your continued patronage and financial support. Your support allows us to grow, and our growth allows us to spread the message of our community. This process, as you can see, is best exemplified by our Rainbow Tour. We are finally able to take ourselves outside the metropolitan area of Milwaukee and sing of the history of our community. This is a direct result of you-from you-and for us all. To which we say: Thank You!

Proud am I of the men and women you see before you. Proud, for they are not only Gay or Lesbian or Straight, but they are people who share the common goals of commitment, vision and unity. And to you our audience I would like to say thank you for your commitment of continued patronage and financial support.

PRESIDENT'S LETTER

Welcome to the Wisconsin Cream City Chorus Limited Anniversary Celebration which we are calling our Rainbow Tour. Our celebration is an event that just won't do with one evening, so we have planned three events.

Rainbows are made of individual colors, each beautiful in their own right. When they come together, their beauty is magnified many times over. And so it is in our Chorus. Our Annual Awards and Recognition Dinner celebrates the Rainbow of ourselves and our community. The colors of singers, musicians, interpreters, friends, patrons, and corporate sponsors shine brightly in their important roles as they all play in the continuing success of the Cream City Chorus. The Anniversary Concert presents our "musical rainbow." Performers on and off the stage, colors harmonizing together, with the songs of our past, present and future, are making beautiful music of sound and sight. To some, rainbows are a symbol of promise-a promise that we are not alone. Our Green Bay trip adds yet more thoughts of Rainbows. We are proud to take our music to another part of our state, sharing our message of unity and pride, and combining with other's colors to a radiance that cannot be stifled. It is also known that at the end of a rainbow, there is a pot of gold! How can we not be enriched by proudly sharing the colors of who we are with each other?

Let us shine proudly, as together, we celebrate the 4-year Anniversary of The Wisconsin Cream City Chorus, Limited through our Rainbow Tour, and beyond.

With Glowing Pride,

Jay Reinke
